

Attention TEA members!!

As we prepare to negotiate our next contract, the negotiations team needs to hear about your concerns. **Please list** any ideas/complaints/concerns you have regarding our current contract **below, as well as a possible solution.** Please know that money and health insurance are ALWAYS top concerns when our team meets with the TSD team. But, if you have any specific ideas or complaints, please share! (You may put your name on this or you may leave it blank. It is up to you!)

Return this paper to your PNSC building rep no later than November 31, so they can compile some of your ideas. If you do not know who your PNSC building rep is, you may send your completed form to:

gsgibbons@hotmail.com – High School Chair

patrickkoneval@comcast.net – Middle School Chair

amy_schwarb@yahoo.com – Elementary Chair

The more info I have, the better we can fight for those items that mean the most to you!!!

Thank you,

PNSC Chairs
