

# “ A United Effort Makes a Difference! ”

The TEA PR Committee has prepared an order form to outfit our members with blue wear. The purpose of our “TEA” wear remains the same - to show our solidarity. (Tuesday’s blue day!) We have increased our selections to give you more options. Please review the items listed below and make your selections. Return the form and your check (made payable to G T Jerseys) or cash to Angela Clemence at Wattles Elementary. The orders will be placed and delivery should occur before the holidays. Let’s continue our “sea of blue” and as always, thanks for your support!
